The city of Rome is surrounded by a "Ring Road" called the G.R.A. (Grande Raccordo Anulare). Unless you are arriving from Naples, you will reach us from the G.R.A. We are located to the south-east of Rome.

There are 2 airports [1] Fiumicino or Leonardo da Vinci and [2] Ciampino.

1. Get onto the **G.R.A.** (the ring road) and follow signs indicating **NAPOLI**. Direct yourself toward the exit for the **E821** connector which links the **G.R.A.** to the **A1 AUTOSTRADA MILANO-NAPOLI**
2. Take the exit off of the **G.R.A.** to the **E821**, direction **NAPOLI** and proceed about 10 km.

3. Take the second exit off the E821 **MONTEPORZIO CATONE**, there will be a € 0.50 toll at the gate.

4. Once through the toll, turn right towards **COLONNA** as shown at left. Proceed along this road for 700m. at which point you will arrive at the intersection shown below...

5. Turn left in the direction of **COLONNA** → Take care as this is a busy intersection and vehicles often are moving quite fast! Proceed 500m along this road - which twists and turns a few times.

6. Along a straight section of road will be the entrance to our Bed & Breakfast. PLEASE NOTE THAT YOU WILL BE TURNING BACK ALMOST 180 Degrees!

7. WELCOME! You Have Arrived! Just press the button on the right column and we'll open the gate for you!
